

CODE OF CONDUCT

The Local Governing Body of Grangetown Primary School adopted this Code of Conduct on Autumn 2024.

Governors will sign the Code of Conduct at the first local governing body meeting of each school year.

Date of last review: 2 September 2024

This code sets out the expectations on and commitment required from all governors, in order for the local governing body to properly carry out its work within the aims and values of the school and extended community.

The code of conduct is anchored in the [Seven Nolan Principles of Public Life](#). It also aligns with the [Framework for Ethical Leadership in Education](#) which helps to guide governing boards in their decision making and behaviour.

Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

Holders of public office should promote and support these principles by leadership and example.

- If we believe this code has been breached, we will raise this issue with the Chair and the Chair will investigate; the local governing body will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.

Should it be the Chair that we believe has breached this code, another local governing body member, such as the Vice Chair will investigate.

Self-Evaluation

- As a local governing body, we believe evaluation is an important element of improving the effectiveness of the board. An annual self-appraisal by means of a questionnaire, along with records of attendance at meetings and visits to school, will provide assurance that individuals serving on the local governing body are complying with this code.

The objective of the appraisal is to enable governors to evaluate their performance, to build upon strengths and address any areas for development.
